**Re: Application for USSD Code and related services from Econet Wireless**

Dear Sir,

The above captioned and our discussion with you at your offices on the 28<sup>th</sup> of June 2017 refers. This letter serves as an application for a USSD Code, access to your USSD gateway and related services for Untu Capital. These services will greatly assist in the implementation of the Mobile Bond project as outlined in a letter sent to Mrs Natalie Jabangwe-Morris General Manager of Ecocash Dated 29 June 2017 with the subject: Proposed Medium Term Listing of Medium Term Notes.

Your assistance on this is greatly appreciated.

Yours Faithfully,

Ashbel Handiringi – ICT Manager

For and on behalf of Untu Capital
